## **MODIFICATIONS**

### **Change standard stem length and/or bar width**

Custom Bikes

€.

On other models we suggest to buy an additional stem and/or bar

€.

On custom bikes we also offer to change bartape and saddles without upcharge.

On our standard models we cannot offer this service though.

But we offer those parts (as well as our supra stems & bars) separately.

And we can ship them together with the bike you need them on.
